Criteria and Instructions:
Outstanding video submissions will be featured during a session at this year’s Annual Meeting. The focus is on cutting-edge techniques and unusual cases in GI endoscopy. Accepted authors will present their video live and then have 1-2 minutes to answer questions.

The NASPGHAN Video Symposium is designed to showcase interesting endoscopic cases or techniques in the field of gastrointestinal endoscopy. Programs can demonstrate accepted techniques, difficult or interesting cases, complications or innovations within the field of endoscopy. Program should focus on interesting and novel cases or techniques in the field of pediatric endoscopy. All entries must be oriented toward physician rather than patient education.

Submissions should demonstrate an individual technique or case or series of cases and should be between 3-5 minutes in length (it cannot exceed 5 minutes). Accepted videos will be narrated during the playing of the video. (Video played at NASPGHAN will not have sound).

Submission requirements:
1) Video with audio
2) Abstract
3) Transcript of your audio portion

Formatting Requirements:
- Video must be formatted in one of the following types: MPEG2 or MPEG4 (.mpg); Windows Media 9 (.wmv); or QuickTime (.mov). Other video file formats will not be accepted.
- Video size recommended for standard definition: 720x480 (0.9 pixel ratio) for a 4:3 aspect ratio or 720x480 (1.2 pixel ratio) for 16:9 aspect ratio.
- Video size recommended for high definition: 1920x1080 (square pixel ratio) or 1280x720 (square pixel ratio), both for 16:9 aspect ratio.
- Please be sure to use a Video Frame Rate of 29.97 frames per second.
- To ensure good image quality, a Video Data Rate between 3-10 Mbit/second is recommended.

Selection and Presentation:
- All submissions are subjected to a blinded, peer-reviewed process and evaluated according to content and audiovisual quality.
- You will NOT be able to make changes to the video or audio of the program after it has been selected.
- The audio portion of your program will not be played. The presentation will include up to five minutes narration of your program for “Best Case” and up to two minutes of audience/moderator question and answer.
- Videos will be placed in the NASPGHAN Library via a YouTube link after the meeting.
- Audio narration in English must be included in the submitted video.
- Commercial support for the program production may be acknowledged with a single credit line acknowledging the company/organization providing the support.
- The program CANNOT contain product specific endorsements/group messages, product trade names or advertising.
The program CANNOT contain any copyrighted images, videos, photos, etc., without supporting documentation from the originating source of the copyrighted work.

Videos CANNOT contain any patient information, physician names, medical record numbers, etc. **Videos must be HIPAA (Health Insurance Portability and Accountability Act of 1996) compliant.**

The submission CANNOT contain background music during narrative and endoscopic video footage.
